BASKET BALL

Maysville Wins From Mayslick—Other Games on the Schedule

Saturday afternoon a large crowd witnessed the basket ball game between the Mayslick team and the Maysville High School team.

Although the Mayslick team were much larger than our girls, and had two experienced college players, they were unable, on account of their lack of team-work and practice, to score more than two field goals.

The High School girls did splendid team work and their playing was almost free from fouls. Their goal throwing is still weak but shows much improvement. Miss Zweigart scoring five field goals and four foul goals.

Mr. Wigginton, the Mayslick coach, was referee and Miss Waller umpire. Both were very just in their decisions.

The audience was large and appreciative, consisting of many Mayslick and county people.

The Maysville team have games scheduled with Kentucky Wesleyan and Richmond High School on their floors next week and with Ashland here on the twelfth of March.
